

Archaeology and History in Lebanon

As a Newsletter, *National Museum News* has grown over the past five years to cover topics beyond its original scope. For this reason and as of this issue, the title *Archaeology and History in Lebanon* will instead be used to best reflect articles featured in what has gradually become a journal on Lebanon's cultural history and archaeological past.

Archaeology and History in Lebanon (formerly *National Museum News*) is published biannually by the *Lebanese British Friends of the National Museum*.
